To Whom It May Concern:

I am interested in applying for an elementary-level teaching position in your school district. I am currently enrolled in the Tarleton Model for Accelerated Teacher Education (TMATE) program and upon employment will be certified to teach EC-6 grades. I believe my training experience and passion for community engagement make me an ideal candidate for a teaching position at your school.

The skills that I have perfected in my working career align closely with your districts expectations within the classroom. I strongly believe in a collaborative environment amongst the students, teachers, administration and community. My leadership skillset includes patience and the ability to build a successful team atmosphere. As an enthusiastic teacher, I seek to find ways to better my students learning and development while not undermining school officials and/or expectations.

It is my goal to combine my range of experience with my ability to be a compassionate, enthusiastic, intelligent teacher who will make a positive contribution to your school district and larger community. I would welcome an interview and hope to hear from you at your earliest convenience. Please feel free to contact me at ###-###-#### or email **removed** to set up a meeting. I also encourage you to check out my teaching website at <http://J-Crawford.weebly.com>. Thank you for your interest and consideration. I look forward to hearing from you soon.

Sincerely,

Jamie Crawford
